ICD VIETNAM - DISTRIBUTOR OF EPAL WOODEN PALLETS

INDUSTRIAL EPAL-CP SERIES & APPLICATIONS

EPAL-CP SERIES - CHEMICAL & INDUSTRIAL (PERIMETER BASE DECK)

MODEL	DIMENSION (MM)	ENTRY	WEIGHT	LOAD CAPACITY
EPAL CP1	1000 x 1200 x 138	4-way	≈10 kg	Contact for load rating
EPAL CP3	1140 x 1140 x 138	4-way	-	Contact for load rating
EPAL CP4	1100 x 1300 x 138	4-way	-	Contact for load rating
EPAL CP5	760 x 1140 x 138	4-way	-	Contact for load rating
EPAL CP6	1200 x 1000 x 156	4-way	-	Contact for load rating
EPAL CP7	1300 x 1100 x 156	4-way	-	Contact for load rating

CP-series uses a near-solid perimeter base deck for drums and industrial packaging - dimensions per official EPAL-CP standard. Load capacity confirmed on request per project.

WHERE EPAL PALLETS ARE USED

- › **EPAL 1 / 2 / 3** - export shipments, general warehousing, FMCG and manufacturing supply chains.
- › **EPAL 6 / 7 (half)** - light loads, retail display, in-store and small-parcel logistics.
- › **EPAL-CP Series** - chemical drums, industrial packaging and bulk cargo requiring a solid base.
- › **All series** - genuine EPAL / EUR branding, ISPM-15 heat-treated for export compliance.

GENUINE & EXPORT-COMPLIANT

Every EPAL wooden pallet supplied by ICD Vietnam carries the genuine EPAL / EUR stamp and is heat-treated to **ISPM-15** standard, satisfying phytosanitary requirements for international shipping. Full technical data sheets available on request.
